PARAMOUNT VD (Vapor Degreaser)

General Description

Paramount-VD Vapor Degreaser/solvent cleaners that offer exciting new options for precision cleaning. Paramount-VD it is a good alternative to Trichloroethylene, Paramount-VD are powerful cleaner, leave no residue, evaporate extremely fast, and. Electronics, optics, and metal parts are quickly and thoroughly cleaned, eliminating the need for further rinsing. Precision, so ideal replacements for cleaners containing Freon.

Benefits

- Properties – Ideal for Vapor-Degreasers
- Also remove heavy industrial oil • Safe on electronics
- Rapid evaporation • Zero residue • Plastic safe

Method Of Application

- Through Ultrasonic Machine • Vapor degreasing
- Deeping Method

Physical Properties

- Boiling Point-133 F°
- Evaporation Rate -5.6
- Flash Point – 20°C (-4 F°, 253 K)
- Flammable–(Auto Ignition-465)
- Odor - Floral
- Vapor Pressure- 9.39 to 374 KPA³
- Density/Specific Gravity–0.784g/cm³
- Shelf Life
- Viscosity – 0.295mpa
- Appearance – Colorless

Packing : 50 Ltr

Head Office : 2/10, IInd, Floor, Opp Surya Hotel, Sarai Jullena, New Friends Colony, New Delhi - 110025.
